Grand Knight Views

Fellow Knights and Brothers in Christ,

Peace be with you! The month of November is dedicated to the Souls in Purgatory. Before we pray for the souls in Purgatory, remember the words shared by Father Jonathan this past week in the preparation of our own souls while here on earth, '...Purgatory is not the goal and should not be what we settle for in this life. As [his] professor stated, do not set the bar low, for you may fall below the bar.' For those souls in Purgatory we pray, *Eternal rest grant unto them O Lord, and let perpetual light shine upon them.*

The month of October remained active for Council 4511! Let's celebrate our accomplishments!

- **White cross 'take-down':** Brother Knights again lent a hand taking down the white cross display organized by Br. Bill Landrigan. These crosses serve as a reminder to us and our community that we must continue to advocate for life from conception to natural death while praying for lives lost and for the mothers, fathers, and families affected. Thank you to all who helped disassemble that they be displayed in another location in the county.

District Deputy's report

Greetings Brother Knights and family, Have you heard of our new initiative, COR? <https://www.kofc.org/en/who-we-are/our-faith/cor.html>

Our Brothers at St. John The Evangelist, Goshen, invite all men to attend the COR Gathering of Brothers Monday, November 20th in the church basement, with dinner starting at 6:30 pm. You can experience this new initiative to support and strengthen men in faith, fellowship, and prayer. At a typical COR gathering, the discussion reflects on the challenges that men face as leaders of our faith, family, and community. If you are unable to attend this month, our Goshen Brothers will be hosting this COR gathering in the Church

basement at 6:30 pm on the third Monday of each month. You may even be inspired to begin a COR initiative at Sacred Heart or another Parish.

I had the honor recently to present the Star Council Award to Warsaw Council #4511 (WGK Andy Sutton) and, also, to Syracuse Council #6323 (WGK Mike DeLucenay). Only twenty-four (24) Councils in the entire State of Indiana received this award for fraternal year 2022-2023. The Star Council Award recognizes a Council that successfully promotes and overachieves in charitable programming, promoting the benefits of our insurance in providing financial support for Catholic families, and increasing their membership which encourages the longevity of our fraternal ministry. Please join me in a warm-hearted

CONGRATULATIONS and THANK YOU for advancing our goals of charity, unity, and fraternity!

Let us freely and joyfully offer our God-given time, talents, and treasure to all those in need. Let us stand together as one in Christ, one in mission, one in our order to defend the dignity of human life and to support the Church in the New Evangelization of making Christ known in our world. Let us truly be a brother to each other, sharing each other's joys and hopes, as well as our fears and sorrows.

Happy Thanksgiving to all my Brother Knights and Families!

Keep Jesus Christ as the center of your life, embrace our Eucharistic Revival, and continue to live your faith!

Your Brother In Christ,

DAN HAMPTON

Top 10 Facts to Know About Long-Term Care Planning

November is National Long-Term Care Awareness Month, an event recognized by Congress and a number of States. To mark the occasion, here are 10 interesting facts shared by the American Association for Long-Term Care Insurance.

1 - Americans are living longer, in large part due to advances in medical care and public health. Life expectancy in the US for those reaching 65 was 20 years on average in 2019.

2 - By 2030, one in five residents in the US will be age 65 or older.

3 - The number of people in need of long term support services (LTSS) in the United States is already at 14 million and expected to grow to 27 million by 2050.

4 - Average out-of-pocket costs are \$140,000 for those individuals who utilize paid long term support services (LTSS). Roughly 17 percent will spend over \$100,000 on LTSS. Almost 9 percent will spend over \$250,000 on LTSS.

5 - By 2040, the total prevalence of Alzheimer's disease and related dementias in the US is expected to approximately double from 7.2 million to nearly 13 million, with 8.5 million women and 4.5 million men expected to develop dementia.

6 - For those requiring high levels of LTSS, individuals and families pay 55 percent of long-term care costs out of pocket.

7 - Currently, the majority of older single-person households are female. Women comprised 74 percent of solo households age 80 and over.

8 - Some 7.5 million Americans have some form of long[1]term care insurance. Two-thirds of all new individual long[1]term care insurance claims pay for care needed by women.

9 - The long-term care insurance industry paid out \$11 billion in benefits to some 310,000 individuals with insurance protection in 2019. The number will increase each year as the current number of policyholders grow older and, as a result, are more likely to begin their claim.

10 - 69.5 percent of new claims start after the policyholder reached age 80. If you live a long life, you are very likely to need long term care. You'll be very glad you have a policy to pay benefits. <https://www.aaltci.org/about/long-term-care-awareness-month-2020.ph>

Faithful Navigator's Column

Thanks to all who attended the Assembly meeting on October 5th.

The Christmas party (with spouses) will take place on December 7 at the Papa Vino's restaurant in Warsaw. This is a new location but very nice. Please let me know if you intend to attend by November 22. Contact me at 574-268-1313 or mtpiazza@waveone.net. We are trying to get an approximate count but if you can't decide before November 22 you can still attend. Just let me know before the party. The Christmas party is usually a lot of fun and it is always great to see and meet spouses so I hope you can attend.

Our project for this Fraternal Year will again be provide a breakfast or dinner for first responders, health care workers, veterans and/or active duty military, law enforcement members on a date in May to be decided. We are still in the planning stages but please contact me if you would like to be involved.

November has two important dates for 4th Degree Knights. The 4th Degree has a center around patriotism. Please remember to vote but before you do spend a few moments in prayer. Ask the Holy Spirit to guide your vote. Consider what a moral, God centered choice is when you vote. Please also pray that Pro-Life issues and candidates are successful in Indiana, Ohio and across the country. We also observe Veteran's Day this month. Thank you to all who served in the military or who are currently serving. We can look to our Veterans as an example of faithfulness to duty and service and try to follow that example in our service to Christ, the Church and all people.

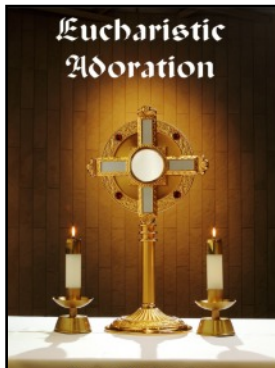

Finally, my favorite holiday, Thanksgiving is this month. Let us remember to thank God for His many blessings not only on this special day but all days of the year.

Viva Christos El Ray,
Mark T. Piazza
Faithful Navigator

Third Thursday Holy Hour

The Knights of Columbus Council 4511 would like to maintain Adoration for the entire time of Exposition on the Third Thursday of each month. The goal is to have a minimum of 2 Knights (any Degree) keeping company with Jesus for eight hours straight once a month.

To commit to a specific hour of adoration, please contact Mike DeRuntz at 238-273-6956 or email him at mderuntz2010@gmail.com

Pro Life News

The Ohio vote relative to “Issue 1”. This vote will take place on November 7. This is a vote to add an amendment to the Ohio constitution that would strip Ohio parents of all rights when it comes to their children’s abortions and “sex change” surgeries. To gain a more definitive view of this situation simply go to your computer and ask, “What does Ohio Issue 1 mean in the Nov. general election?” This information will tell you what would change if Issue passes. It would be a disaster to the cause of LIFE.

While the turn out is expected to be low due to this being a general election, it only takes a simple majority vote in Ohio to get passage. Pro abortion groups have raised 29 million as opposed to 10 million by Pro Life groups.

We must seek God’s help to overcome this evil challenge through persistent prayer and fasting.

Fr. Michael J McGivney Prayer

God, our Father, protector of the poor and defender of the widow and orphan, You called your priest, Father Michael J. McGivney, to be an apostle of Christian family life and to lead the young to generous service of their neighbors.

Through the example of his life and virtue may we follow your Son, Jesus Christ, more closely, fulfilling the commandment of charity and building up his Body which is the Church. Let the inspiration of your servant prompt us to greater confidence

in your love so that we may continue his work of caring for the needy and the outcast.

I now present (make you intentions). Through Christ our Lord. Amen.

We have adopted a new seminarian Mason Bailey

Following is a brief introductory letter from him

Hello All

I'm delighted to have been adopted by Council 4511. I grew up in Fort Wayne and am a 3rd generation member of Most Precious Blood Parish. I attended my parish school, Bishop Dwenger High School, and graduated from Hillsdale College with a BA in Political Economy. I am 23 and first heard the call in 4th or 5th grade but didn't take it seriously until

college. Conversations with friends, family, priests, and reading Fulton Sheen's autobiography led me to reach out to the vocations director in 2021. After graduating from college in 2022, I served at St. Pius X in Granger on a pastoral year. I'm grateful to be down here at Saint Meinrad studying for our diocese. For a more complete version of my vocation story you can go [here](#) I look forward to continuing the relationship with you. You will be in my prayers.

God Bless,
Mason Bailey
